

Shift Lock PRIVACY POLICY

Last updated: Dec 24, 2019

Shift Lock Corporation ("us", "we", or "our") operates <http://www.slock.co.jp> and develops, sells and supports computer software("Software"). ("Service" when referring to both "Site" and "Software") This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, terms used in this Privacy Policy have the same meanings as in our Terms and Conditions.

Information Collection And Use

We collect several different types of information for various purposes to provide and improve our Service to you.

Types of Data Collected

Personal Data

While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you ("Personal Data"). Personally identifiable information may include, but is not limited to:

Cookies, Log Data, Diagnostic Data and License Information

Log Data

We collect information that your browser sends whenever you visit our Site ("Log Data").

This Log Data may include information such as your computer's Internet Protocol ("IP") address, browser type, browser version, the pages of our Site that you visit, the time and date of your visit, the time spent on those pages and other statistics.

In addition, we may use third party services such as Google Analytics that collect, monitor and analyze this.

Diagnostic Data

While using our Software, we may ask you to provide diagnostic data ("Diagnostic Data") output by the Software for user support, analysis of error causes, and improvement of our services.

License Information

We may ask you to provide personal information that can identify you and your user in order to validate or verify a valid license to use our software.

Communications

We may use your Personal Information to contact you with newsletters, marketing or promotional materials and other information that..

Cookies

Cookies are files with small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site and stored on your computer's hard drive.

Like many sites, we use "cookies" to collect information. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Site.

Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Changes To This Privacy Policy

This Privacy Policy is effective as of Dec 24, 2019 and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page.

We reserve the right to update or change our Privacy Policy at any time and you should check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.

If we make any material changes to this Privacy Policy, we will notify you either through the email address you have provided us, or by placing a prominent notice on our website.

Language

The Japanese language version of this Privacy Policy is legally binding in case of any inconsistencies between the Japanese version and any translations.
